NTU AT A GLANCE

NTU is the number one university in Taiwan

National Taiwan University (NTU), one of the top 150 universities in the world in terms of both breadth of academic fields and volume of programs, with more than 200-degree programs ranging from the natural sciences to the humanities and social sciences. Students who study at NTU become a part of the nation’s talented pool of learning and are given the opportunity to pursue a diverse and superior education. NTU’s vision embodies expert knowledge and strong technologies, guided by independent thought and a pioneering spirit of enterprises.

Students

NTU offers the market’s highest salaries for students.

NTU provides many opportunities to realize your potential. Anticipating Taiwan’s talent needs and faculty within an ever-changing and supportive environment, thousands of students are taught in Chinese and English, students are able to understand the most extensive range of educational programs in Taiwan. No matter what subjects you are interested in, there will be a significant number of high-quality courses and programs for you.

NTU lets you experience Asia’s most vibrant and progressive democracy

NTU students can be found at the top of government, research, industry, and other public and private institutions, where they are instrumental in promoting the development of Taiwan’s politics, economy, high-tech industrial, society, culture. Thanks to the Brand and liberal education which you can experience first hand at NTU, they have contributed to making progressive values in Taiwan.

CONNECT WITH THE WORLD THROUGH NTU

NTU has over 520 partner universities in more than 80 different nations. As an NTU student, you will have numerous opportunities to gain international experiences through study abroad programs and research. NTU has 101 campuses to cooperate with universities in different fields. The NTU College of International Studies is designed to help you overcome the way to engage in top-level research on the international level, making your own contribution to changing the world.

MEET NTU

Any interested student or school student about NTU and visiting the beautiful campus? Start the ITU card registration for an event to find out about NTU’s many degree and nondegree programs, and the financial support for overseas students.

STUDENT RESOURCES

NTU provides a multitude of resources for its degree and nondegree students.

ON-CAMPUS FACILITIES

Food

With a rich variety of choices, NTU’s Main Library is the largest academic library in Taiwan, a huge one multimedia center and a music and visual arts center, providing the perfect study environment.

ATM

The NTU Student Center operates a swimming pool, a gym, badminton and basketball courts and more. Outdoor facilities include basketball courts, tennis courts, and a running track and indoor swimming pool.

Health Services

NTU has an on-campus health center providing dental and health services to all NTU’s students. For health-related services, contact the Health Center. The Student Counseling Center provides mental health and counseling services.

FREELANDED LANGUAGE COURSES

Overseas degrees, exchanges and visiting students can take up to one year of the language courses to learn Mandarin and Taiwanese culture.

STUDENT CLUBS AND SCHOOL TEAMS

With over 450 student clubs and associations for all, whether in the popular sports, you will find a place to enjoy a second home at NTU, no matter what your interests are. If you can’t find a club and you have other ideas, NTU also gives you the freedom to start your own club.

ONE-ON-ONE STUDENT VOLUNTEER SERVICE

One-on-one volunteer school students aim to assist Overseas Students with pre-departure, registration, accommodation and course selection. All student volunteers are selected and trained through the volunteer training program. Regular activities provide consultation and help for your living in Taiwan.
